Reverse Engineering Your Way To The Top Of Amazon

After working with thousands of successful Amazon sellers and dissecting many "immediately successful" products on Amazon - Jason Fladlien has figured it out.

In fact, there are 11 different specific "methods" that all lead to the same thing - free traffic from Amazon. Very often what other sellers do "leave clues." If you know how to look for them, it becomes a road map to page 1 rankings.

The beautiful thing is you don't have to look for these clues and figure it out yourself - Jason has already done this. You can just follow along in PDF and/or Video format as he walks you through each method, step by step.

Note: This bonus will be made available to you at the end of week 3 and will be delivered via our ASM Masters members area, which you will receive access to via email within 72 hours of your purchase.

The Virtual Boardroom

Last time Jason and Wil offered the virtual boardroom it was exclusively as part of their guarantee. What happened was hundreds of people begged to be allowed in... and were ready to pay a lot of money, too.

Now you get it when you sign up for ASM 5 for free!

Every other week, for two months, you'll get live webinars with Jason. He will take Amazon listings from ASM Masters who are part of the boardroom and optimize them live in real time. The result is increased exposure, traffic and profits!

If you want to get your listing optimized you can, as part of the virtual boardroom, apply for it. Regardless, you will learn so much seeing it "in the real world" that it will translate into thousands and thousand of dollars per month in increased sales in your Amazon business.

Check out the image below where Jason is mobbed just to get a touch of his personal attention when it comes to success with Amazon.

These sessions are recorded and archived so you can always access and reference them.

Note: Details on how to join the Virtual Boardroom live calls (and recordings) will be posted our ASM Masters members area, which you will receive access to via email within 72 hours of your purchase.

The Amazing Loophole is a brilliant program. Nothing compares. Period. Working the program as Dan lays it out, in less than a year, I've helped one corporate client's income go from floundering to over \$25,000 a month. Another start-up company I just recently partnered with, hit 40 sales a day after only two weeks on Amazon.

I mean, it's shocking how partnering can turn Amazon into a gold mine . . . success is hidden in plain sight.

The Amazing Loophole strategy cracks the code, it makes the impossible possible, it eliminates all risk and expands your opportunity. If you learn the Loophole approach and know truly how Amazon partnering works, then man-o-man...you're so gonna love it. What can I say other than "this is beyond amazing!"

Note: This bonus will be delivered during week 6 of the course. Details on accessing the training sessions will be available in the ASM Masters members area, which you will gain access to within 72 hours of your purchase.

The 'Best Seller' Matrix Software

This little tool can uncover perfect product after perfect product for you to source and sell on Amazon.

Accompanying this tool is training by Jason Fladlien on exactly how to use this to reveal products that are in high demand by consumers but unnoticed by 99.9% of Amazon sellers!

Users of this tool are getting better results for finding winning products (with a lot less competition) to private label with this software than anything else they've tried.

Bonus #8

China Concierge

After hundreds of ASM Masters have used this service to get products sourced from China - it's safe to say Rapid Crush, Inc. have perfected this process for you.

And what services do you get for free for 8 weeks from the China Concierge program? Here is a sample:

- Find a supplier for the product you want to source
- Communicate to the supplier what you need
- Negotiate price on your behalf
- Get samples so you can evaluate product quality
- Help you place orders

Previous ASM Masters members have loved this service... and now you will too!

How it works is simple. Pick a product you'd like to source. Fill out a form in the ASM Masters members area. The concierge will start finding suppliers and sending you quotes. He will also arrange for you to get samples and negotiate pricing on your behalf.

Once you decide on the product and supplier, he will help you place your order. You will be put in touch with the supplier and pay the supplier directly.

Note: You will get instructions on how to use the China Concierge program during Week 2 of the course and you will be able to use this service until June 30th, 2015.

Bonus #9

ASM Ranker Software

This is the #1 most powerful way of dramatically increasing your ranking for any relevant keyword you wish.

Jason, Wil, and the entire Rapid Crush, Inc. team have been working hard and have perfected this software over a year ago... and still, to this day, no one has figured out how they do it!

This software is extremely powerful, yet super simple to use... and it works on PCs, Macs, Linux, Tablets, Smart Phones, etc.! It will systematically ratchet your rankings on Amazon easier than anything else in the history of selling on Amazon. No joke.

Jen Mulholland

xoxo to the Ranker Kings [Wilson Mattos](#) and [Jason Fladlien](#) xoxox
kisses from down under and know everyone not that down under lol
I am now ranking in as second category on page 1 :):):):):)
Thank to the awesome Ranking tool.

Philip Jepsen

Thanks to Jason and Wilson. ASM Ranker is amazing.
I did an email promotion over the last 3 days, and got over 20 sales from it. I used the ASM Ranker link of course, and checked my ASM rankings again today on 4 separate keywords.
Even though ASM Ranker is boosting only one particular keyword, there was a great difference on all 4 keywords. The keyword I was boosting with ASM Ranker moved my product from page 11 to page 3. Another keyword went from page 14 to page 2. A third keyword went from page 5 to the very top of page 2. On the broadest keyword for my product it was not showing up at all on 20 pages before - now my product is on page 17.
Amazing progress for 3 days!

Tess Mahan

Need input from Jason & Wilson (or any else who knows the answer). Since I was able to get my product moved up to Page 1 so quickly (using the ASM Ranker in paid advertising) which has lead to a lot of organic sales this week (turned off all ads last Friday as I was going to run out of stock). I've done almost \$4k in sales in my first 2 1/2 weeks and I credit a ton of my success to having the ASM ranker link to use AND updating all of my ranker links every time I saw my ranking change (to make it look like a real time search).

So now I am getting approached and questioned by other ASM'ers on how I got such fast sales and moved my listing up so quick. Most of the people are in ASM1 or not in our Masters' group here (if they are ASM2), so they know nothing about the Ranker software AND we are all sworn to secrecy of course.....so what do I SAY??

Cheryl Ulrich

Wow! Thanks to friends and the ASMranker tool I am on page 1 for my keyword and now have had 2 sales from people I don't know! - this is fun!

Note: This bonus will be delivered after Week 5 of the training course via the ASM Masters members area.

Bonus #10

The Viral App

This is one of Jason & Wil's secret weapons.

It's called the Viral App... and they could sell it on its own today for millions if they wanted to... for one simple reason.

They have hordes of customers in the App with verified, real Amazon accounts... that have been conditioned to purchase and leave reviews for any Amazon product that is put in front of them.

This thing gets better each and everyday, too. Because every day new buyers are added into the app that you can put your product in front of!

This app has hundreds of testimonials, but I'll just share two. Here's one...

Mohammad Kolia 😄 feeling excited with Ibrahim Miharbi and Moinuddin Kolia

October 8 at 5:00am

The Viral App has SERIOUSLY GONE MAD! I've had over 50 sales over night! Not all of them are showing through yet but my inventory has dropped significantly... This has increased my ranking from about 100k to 3K!

And here's an example of what this could do for you in terms of a "jump start"...

 **Tumi Hawkins** 35 sales so far today and 38 total. BSR jumped from 48,900 to 2,629 and now listed in a second sub-category. Also seen upward movements in keyword ranking. 😊
3 hrs · Unlike · 7

 **Tumi Hawkins** Double holy smokes!! Happy dance on my desk - BSR is now 1,386, #2 in my main sub category, #18 in the second category which Amazon decided to list me in after the initial spike in sales.

Best of all, my product has the coveted Best seller badge on it. Wooohooo!! Second time in the last 8 hours that I've nearly fallen off my chair.

Still on page1 on one keyword, now on page one on second keyword, but still not yet on page 1 for main keyword.

I can now rightfully call my product best seller on Amazon - Thank you **Jason Fladlien** and **Wilson Mattos**. I need to go catch a few hours sleep now as I've been up most of the night here.

Together you will work hands on with Jason and he will create a specific and measurable success action plan, on a month-by-month basis, to ensure you reach that goal.

If you follow Jason's prescribed plan, do the agreed work, and do not reach your goal within 90 days (by August 31st, 2015), then what? Rapid Crush, Inc. will hand over you an already established Amazon business.

This will include a product we choose, source, and brand. We will give you an optimized product listing (9 images, title, bullets, and description), with at least fifty (50) 5-star reviews, and 500 units of inventory to get you started.

Yes, they will hand you over an established Amazon business on a silver platter!

1 The Amazing Selling Machine (ASM) team has created a really cool way to encourage you to take action and track your progress throughout the course... they have employed a gamification system that allows you to earn badges as you perform the tasks taught in each of the modules. You need to do the work and earn each of the badges available to be earned in Modules 1-4 before Module 5 is released.

2 Each week, Jason Katzenback will host a Q & A webinar to answer any questions you have about that week's training module. These webinars are recorded and posted in the members area so you can watch them at any time.

3 As part of our bonus package you will have access to RCI private Facebook group (ASM Masters), where Jason, Wil, and others from RCI will share knowledge, answer questions, and help you in any way possible.. You need to participate in the group by sharing your progress at least 4 days per week, so they can help you achieve your goals!

4 Just send Wilson Mattos a private message on Facebook saying you want to activate "The Guarantee of Profit" after you've earned all your badges for each of the first 4 modules, along with the option you want. You must select either Option 1 or Option 2 when you contact Wilson and the selection you make is final. The message must be time stamped no later than May 29th, 2015 at 11:59 PM US Eastern time. Note: If you choose Option 1, you MUST request a refund (but not the 'inventory buy-back' guarantee) from ASM before we proceed. If you choose Option 2, you MUST NOT ask for a refund from ASM or RCI guarantee will be null and void.

5 This will be a really quick web meeting where you and RCI will jointly verify that you met all the requirements and followed the system as taught. They will also have you log in to your Amazon Seller Central account so that they can see the details of your product, inventory history, analytics, and run several reports. **If you chose Option 1**, RCI will add up all of your eligible costs (inventory, shipping, label design/creation, product sample costs, and advertising costs) and initiate the transfer process of your Seller Central account to RCI. Once you have transferred all the ownership rights to the Seller Central account, product, name, and brand to RCI, they'll send you the full payment for twice your expenses related to sourcing this product (inventory, shipping, label design/creation, product sample costs, and advertising costs) plus \$5,000 for your time (up to a maximum grand total of \$10,000). **If you choose Option 2**, we will schedule the 1-on-1 calls with Jason Fladlien where he will develop your monthly step-by-step success action plan with you for your business. Note: If you choose the payment plan to sign up for ASM, you must

make all payments on-time in order to qualify for Option 2 of "The Guarantee of Profit." Failure to make any of your payments on-time will disqualify you from the guarantee.

6 If you meet the eligibility requirements above, you choose Option 2 for "The Guarantee of Profit" you complete all the agreed measurable action steps prescribed to you on a monthly basis by Jason Fladlien, and you have not generated at least \$25,000 in revenue by August 31st, 2015, RCI will hand over an already established Amazon business to you in 90 days or less. This will include a product RCI will choose, source, and brand. RCI will hand you an optimized product listing (9 images, title, bullets, and description), with at least fifty (50) 5-star reviews, and 500 units of inventory to get you started. We will also give you an actionable marketing plan to help you grow the business.

7 In order to qualify for the Amazon Sponsored Ads expenditure reimbursement bonus, you need to do the work taught in ASM and earn each of the badges available to be earned in Modules 1-4 before Module 5 is released. You must then run an Amazon Sponsored Ads campaign from May 29th, 2015 through June 12th, 2015 continuously, exactly as taught by Jason Fladlien in the special training for ASM Masters, which will be posted in the ASM Masters members area before May 29th. If you do not achieve a 5x return on your ad spend, for at least 5 of the keywords in the campaign (measured between June 5th and June 12th), send Wilson Mattos a private message on Facebook saying you want claim the Ad Spent Reimbursement bonus. The message must be time stamped no later than June 19th, 2015 at 11:59 PM US Eastern time. Wilson will schedule a quick web meeting with you to review the campaign data, verify your eligibility, and process the reimbursement for your total Amazon Sponsored Ads expenses during the May 29th - June 12th period (up to a total of \$1,000). Note: You must be an ASM 5 member in good standing and not have refunded ASM in order to qualify. If you choose the payment plan to sign up for ASM, you must make all payments on-time in order to qualify. Failure to make any of your payments on-time will disqualify you from receiving this or any other bonuses.

IMPORTANT: Customers with any prior access to the ASM training or an Amazon Seller Central account prior to April 13th, 2015 do not qualify for "The Guarantee of Profit" or the "Amazon Sponsored Ads Reimbursement" from us. You still fully qualify for the ASM 30-day no questions asked guarantee.
